

Brussels photovoltaic tile manufacturer

Overview

Does an eye-sore of a construction on your roof come to mind when you think of solar panels?

Then you'll undoubtedly love the discreetly integrated. The CeraSolPan is perfectly compatible with the Volnay flat ceramic roof tile from Terreal. Your roofer can easily install the suntiles right along with the regular. Not only is the CeraSolPan beautiful, but it combines that beauty with excellent returns. This way, you're guaranteed a sustainable investment.
